## About This Game

Inspired by adventure games and edutainment titles from our youth, Zniw Adventure is a traditional, 2D point and click adventure game featuring cartoon comic-styled graphics, classic frame-by-frame animation, lots of dinosaurs and other prehistoric creatures, and educational aspects.

Her mother's hatchday is just around the corner and Zniw, a young, yellow, female dinosaur, tries to find the ultimate gift! However, due to some unfortunate events, Zniw ends up far, far away from her hometown of Wajapulka. Now, armed with a

sharp tongue, lack of navigational skills, and some knowledge from travel brochures, Zniw is desperately trying to find her way home... When she accidentally stumbles in on a major problem in the neighbouring village!

So how about it, will you help Zniw on her journey?

- Oldschool 4:3 cartoon visuals, featuring hand-drawn backgrounds and traditional frame-by-frame animation.
- Educational encyclopaedia, with descriptions of encountered prehistoric creatures, items, locations, and more.
- No gore, blood, bad language, or anything like that. Fun for the entire family!
- More than 20 different dinosaurs and other prehistoric creatures to meet along the way.
- Several locations to explore, including forests, jungles, caves, and more.
- Unlockable rewards that include concept art and minigames.
